This letter constitutes the report to Shareholders for the purposes of the Regulations in respect of the accounts period ended 30 November 2017.

Note 1: The Fund operates full equalisation arrangements in the period ended 30 November 2017 and the ‘average’ equalisation factor for subscriptions in the relevant period for each relevant share class of the Fund is summarised in the above table. The Fund calculates the equalisation amount per unit of interest in the fund by dividing the sum of all the equalisation amounts in relation to all acquisitions by way of initial purchase in the relevant 2017 period by the total number of shares acquired by way of initial purchase in the same relevant 2017 period.

Registered Office: as above.
Directors: Leslie Gent (Canadian), Keith McGough, Brian McDermott, Pat McArdle and Gayle Schumacher (British)

Note 2: We understand that the Fund meets the qualifying investments test within Part 6 of the Corporation Tax Act 2009 for the period ended 30 November 2017 and therefore is a “bond fund” for the period ended 30 November 2017. As such, we would expect that actual distributions and excess reported income over actual distributions from the Fund for the period ended 30 November 2017 to be treated as interest income for UK tax purposes.

In future the Company intends to forward the relevant Shareholder information, as required by HM Revenue & Customs under the provisions of The Offshore Funds (Tax) Regulations 2009, via post (and the web address below).
